MEMORANDUM FOR:

SUBJECT: NSA Monthly Substantive Reports

1. We are attaching copies of our Monthly Substantive Report for September, October, and November. This is the NSA monthly that you and I discussed last Fall during your home visit. The items in the reports have been classified individually and are, I think, self-explanatory.

2. We will continue to send you a copy of this monthly report and in return would appreciate receiving any comments you might have as to its usefulness.
